SHIPPING NOTES.

The Honokaa Sugar Mill, Hamakua, Hawaii, recommenced grinding on Monday week.

The schooner William Renton and the bark C. O. Whitmore are now due with lumber from the Sound.

The bark Delphine Melanie is about 60 days out from Newcastle, N. S. W., with 500 tons coal for this port.

The American bark Amy Turner with general cargo to Messrs. C. Brewer & Co. is about 142 days out from Boston.

The barkentine Planter and W. H. Diamond and the bark Forest Queen are several days out from San Francisco for this port.

The steamer James Makee took a vacuum pan and several cases machinery weighing nearly fifteen tons for Hamakua, Kauai.

The bark Alden Besse, Captain E. B. Cousins, is very likely now on her way from Nanaimo, B. C., with a cargo of coal for Kahului, Maui.

The American brigantine Lurline, Captain C. Matson, sailed on Friday, October 13, with a little sugar and sand for ballast for San Francisco.

There are no less than eight vessels grouped at the rotten row waiting for orders. A little storm will make things lively in that quarter.

The German iron ship H. Hackfeld, Captain Wolter, formerly of the bark R. Bishop, is about 137 days out from Liverpool with general merchandise to H. Hackfeld & Co.

The Hawaiian bark Lady Lampson, Captain F. C. Sodergren, sailed on Wednesday afternoon for San Francisco with 1800 bags sugar weighing about 650 tons, 1800 hides, and 200 goatskins.

The term Ke Au Hou sailed on Thursday for Wailua instead of Hilo as previously announced. She has had new topmasts put in during her stay in port which give her a very fine and lofty appearance.

The steamer Iwalei took, besides a very large cargo of general merchandise for windward ports, six sections for a new smelterstack from the Honolulu Iron Works for Kukuhihale Sugar Plantation, Hamakua, Hawaii.

The steamer C. R. Bishop, which stranded on a bank of mud while entering Heela harbor, Koolau, on Monday morning, got off this morning, at a high tide without receiving the least injury, and she is expected to arrive here this afternoon.

The old boiler of the steamer Pele has been removed, and the new one, recently received from the Kiskadee Iron Works of San Francisco, was placed in position on Wednesday. The new boiler is about four times larger than the old one, and a proportionate increase in her steaming capacity may be expected.

The Hawaiian bark Lady Lampson, Captain Sodergren, sailed October 11th for San Francisco with the following cargo: Hyman Bros., 1,290 bags rice; M. Phillips & Co., 304 bags rice; Sing Chong & Co., 550 bags rice; Wing Wo Chan & Co., 300 bags rice. Sundries, 2 pieces and 46 empty kegs. Total tonnage, 140 tons. Foreign value, \$512. Domestic value, \$12,031.06.

The British ship Carnarvonshire, Captain E. Williams, which arrived on Sunday 63 days from Newcastle, N. S. W., has been docked at the Pacific Mail Company's wharf. She brought 1,889 tons coal—700 tons for W. H. & Co. and 1,189 tons coal for Messrs. H. Hackfeld & Co. The captain reported as follows: The meridian was crossed on the eighth day; thence had breezes from E. S. E., and had very high seas; the vessel laboring very heavily for 48 hours; thence had light S. W. and southerly winds till Tubuai Island was reached on the 15th day out. From thence had N. and N. W. winds till the Low Archipelago was reached 12 days later; thence had light N. E. and E. winds which carried her to 11 degrees latitude. There, instead of N. E. trades, E. S. E. was experienced which lasted till Oahu was made, the distance being accomplished within six days.

The Carnarvonshire was built at St. John, New Brunswick, in 1871, and is owned by the Cambrian Line of Liverpool, which company has a regular line of vessels plying between Liverpool and the Colonies. After discharging her cargo, the Carnarvonshire will leave for Baker's Island to load guano for the United Kingdom for orders.

Another Challenge.

The Deputy Attorney-General challenged George Nawaakoa of the Hawaiian jury, on the ground that being a dismissed Government officer—viz., from the Custom House—he could not be an unprejudiced juror to try another Government officer—viz., Kahale the police.

Judge McCully overruled the challenge as not being well taken. The Crown attorney referred to the fact of a number of discharged Government servants being upon the jury panel.
